

Features

Bug is a contemporary range of chairs which is full of character. Comprising of stackable four legged chairs, with or without castors, curvy cantilevers and height adjustable models, Bug features generous upholstered seat and backs and moulded polyurethane armrests and is designed primarily for corporate interiors.

Finishes

Frames are available in either bright or stain chrome, or epoxy polyester powder coated. The arms are black polyurethane as standard and the upholstered seats and backs are made from a wide choice of quality contract fabrics.

Design: Steven Smith

Steven Smith graduated from Buckinghamshire College, High Wycombe in 1983 with an MA in Furniture Design, following his 3D Design degree from Birmingham Polytechnic. He gained valuable experience with the 'Crown Suppliers', before becoming a freelance designer in 1991.
